SUMMARY

Like the bill, this amendment implements recommendations of the Commission To Strengthen and Align the Services Provided to Maine's Veterans. This amendment also combines proposals from 3 Legislative Documents, L.D. 1590, L.D. 1611 and L.D. 1612, that improve the delivery of services and benefits to Maine veterans.

Part A requires the Director of the Bureau of Maine Veterans' Services within the Department of Defense, Veterans and Emergency Management to include marketing and outreach objectives as a core function of the bureau. The marketing and outreach objectives are intended to identify residents in the State who are veterans and also to maximize awareness of benefits and services available to veterans and family members of veterans. Part A also directs the bureau to acquire and implement an electronic records management system to create efficiencies and provide timely and effective customer service to veterans seeking assistance from the bureau. The bureau is required to serve as the primary source of information for veterans regarding the services, benefits and honors provided to veterans. Part A requires the director to employ 2 additional veteran service officers who are not assigned to a particular region but who will be directed to where the service needs of veterans are greatest and makes a current temporary position of outreach coordinator permanent. Part A establishes a special operations account from which the director may fund outreach and marketing efforts, acquire the records management system, fund mobile veteran service officers and cover the costs of efforts aimed at reducing veteran homelessness.

Part B proposes changes to current law to address homelessness among veterans by requiring coordination of agencies that provide services to veterans to maximize resources available to support stable, permanent housing for veterans at risk of homelessness. Part B requires that the Director of the Bureau of Maine Veterans' Services within the Department of Defense, Veterans and Emergency Management be appointed to an existing entity, the Statewide Homeless Council. Part B requires the Statewide Homeless Council to develop a strategic plan to maximize existing services, enhance communication among providers and improve access to services that support permanent and stable housing for veterans. The director is required to report annually to the joint standing committee of the Legislature having jurisdiction over veterans affairs regarding the implementation of the plan and its effect on homelessness among veterans. Part B authorizes the director to employ a veteran service officer whose duties include working on tasks relative to homelessness among veterans.

Part C provides a sales tax exemption to all federally chartered veterans' service organizations, beginning August 1, 2016.

Part D designates revenues from the Liquor Operation Revenue Fund to the Bureau of Maine Veterans' Services Special Operations Fund to fund the costs of marketing and outreach, efforts to address homelessness, the costs of an electronic records management system, positions in the Bureau of Maine Veterans' Services within the Department of Defense, Veterans and Emergency Management tasked with working on homelessness and outreach coordination and 2 mobile veteran service officers.

Part E provides for allocations to fund the initiatives proposed in this amendment.
